Distinguished Alumni Award to be Presented to Four Deserving Graduates

The Grandview Education Foundation is proud to announce the recipients of the Jane Bryan Distinguished Alumni Award. This honor recognizes the exceptional achievements and contributions of alumni who have demonstrated outstanding leadership, innovation, and service in their respective fields. The awards will be presented at the upcoming Grandview Education Foundation Alumni Brunch on Saturday, April 20, 2024, at the Armacost Museum in Grandview.

This year, we celebrate the remarkable accomplishments of four distinguished alumni:

Sunnie R. Carney, Class of 2013
John F. Doane, Class of 1982
Christopher L. Hanes, Class of 2002

Brian C. Wimes, Class of 1984

The Jane Bryan Distinguished Alumni Awards ceremony will be the highlight of the Grandview Education Foundation Alumni Brunch, an event dedicated to celebrating the rich legacy and accomplishments of Grandview School District alumni. In addition to the awards presentation, guests will enjoy great food and drinks, participate in a wine raffle, and bid on exciting items in a silent auction.

All proceeds from the event will directly support the programs and services that the Grandview Education Foundation provides to the students and staff of the Grandview School District. By attending the Alumni Brunch, guests will not only honor the achievements of our esteemed alumni but also contribute to the continued success and excellence of our schools.

Join us in congratulating Sunnie R. Carney, John F. Doane, Christopher L. Hanes, and Brian C. Wimes on their well-deserved recognition. Together, let us celebrate their remarkable accomplishments and inspire future generations to reach new heights of excellence.

GEF is Seeking Volunteers for Cover to Cover Summer Reading Program

GEF is once again organizing its Cover to Cover GC-4 Summer Reading Program in May, catering to students from all Grandview Elementary schools and the Early Childhood Education Center.

The Cover to Cover initiative aims to counteract the summer decline in reading skills among Grandview students while fostering a lifelong passion for reading. In May 2023, over 1,700 students across our five elementary schools and the High Grove Early Childhood Center were delighted to select 5, 7, or 10 new books of their choice. We distributed a total of over 14,000 books, providing students with reading material to

cherish forever!

Activities for the 2024 distribution will commence on May 3rd, and GEF is seeking volunteers to assist with setup, distribution, and pack-up/inventory. Please click the link below to sign up and support this valuable program as a volunteer.
