Cover to Cover Volunteers Needed

GEF will once again be hosting its Cover to Cover GC-4 Summer Reading Program in May for students at all Grandview Elementary schools and Early Childhood Education Center.

Cover to Cover is a program designed to help prevent a summer decline in Grandview students' reading skills and promote a lifelong love of reading. In May 2022, more than 1,700 students at our five elementary schools and High Grove Early Childhood Center received their choice of 5, 7, or 10 new books. We distributed over 14,000 books for students to take home and keep forever!

Activities for 2023 distribution begin on May 3rd and GEF needs volunteers to help with set up, distribution and pack up/inventory. Please click the link below and sign up to volunteer to help with this program.

Alumni Brunch Honors Past Graduates

The annual Alumni Brunch, held on April 1, 2023, at the Armacost Car Museum, was a huge success and fun for everyone who attended. The event, which serves as a fundraiser to support the programs and services of GEF, featured a silent auction with baskets donated by each Grandview School, a cork pull, jazz music provided by the Grandview High School Jazz Band and the opportunity to view the amazing car collection at the Armacost Museum.

The foundation also honored three Grandview High School Graduates with the Jane Bryan Distinguished Alumni Award. Honorees included Marla Lynn, Class of 1992, Christopher Markley, Class of 1999 and Byron Roberson, Class of 1987.

If you were unable to attend the brunch, but would like to support the event, donations can be made by clicking the button below.
