GEF Cover to Cover Program Receives Award

On July 30, 2022 the South Kansas City Alliance recognized GEF's successful Cover to Cover Summer Reading Program by presenting the Foundation with the Outstanding Educational Achievement Award.

Cover to Cover is a program designed to help prevent a summer decline in Grandview students' reading skills and promote a lifelong love of reading. In May 2022, more than 1,700 students at the five elementary schools and High Grove Early Childhood Center received their choice of 5, 7, or 10 new books. Over 14,000 books were distributed for students to take home & keep forever!
